Written by the students of 3º B Bilingual to commemorate the 25th Anniversary of the School 2011-2012
Designed and supervised by Mª del Mar Herrero
Edited and printed by The Professional Module of Graphics and Design.
Emilio Alarcos Secondary School is situated in the district of Moreda, not very far from the beach of Poniente, and surrounded by extended parks and gardens. Our commitment is to provide a caring and friendly environment for learning, ensuring that every student feels valued and supported in a personal and inclusive atmosphere. We recognize the importance of a broad and balanced education that provides the right academic foundations, while encouraging intellectual curiosity and independent thinking.

**Timetable**
Classes start at 8.30am and finish at 2.30pm. Students that follow The Bilingual Project have a seventh period from 2.30pm to 3.30pm, two days a week. Break time is from 11.15am to 11.45am.

**Attendance**
Register is provided daily and absenteeism is communicated to parents after the first class.

**Studies**
Our school aims to provide a friendly and supportive learning environment where students can work to fulfill their learning needs and gain access to a great variety of facilities and cultural activities.

The school offer includes:
- Secondary Education (1st and 2nd cycles of E.S.O)
- Social Science and Humanities and Scientific-Technological A– Levels
- A two-year Modular Course for Further Education on Graphic Design.
- Bilingual Studies in an agreement with The British Council.
- GCSE examinations. Students who follow Bilingual studies can sit the internationally recognized examination IGCSE at our school. Candidates take all the exams on several days during the third term and on three optional subjects: English, Geography and Biology.

Emilio Alarcos Secondary School has also a great variety of facilities and equipment such as laboratories, Technology Room, Craft and Plastic Arts Room, special rooms for Music and Computers, a gymnasium, a library and a canteen. Besides, many cultural activities are offered to meet the needs of our students: exchanges with England, language school trips, field trips, talks and lectures, a school market to exchange second-hand products, concerts, paper recycling, food gathering for charity, theatre plays and many others.

**Extra-curricular activities**
- **Cultural visits** to local institutions, factories and museums such as Aboño, La Central Lechera Asturiana, El Musel, Termas Romanas, Campa de Torres, Museo del Ferrocarril.
- **Competitions:** Every year different contests and competitions are held at school: Mathematics Olympiad, Physics Olympiad, Chemistry Olympiad, Photography Contest, Letter Writing Contest, Beautiful Words Contest.
- **Workshops:** Archery, Gardening, Radio, Theatre.

**Facilities**

**Library**
Where students will find a large range of written, audio and video material on loan. Each student is given an ID card which allows them to borrow these materials. Magazines, journals, newspapers are also available here. In addition, there is a ICT area equipped with two computers to allow students to use them for research and homework.

**Computing services**
All students can use the Internet and some other computing services in the four rooms available. A personal password is given to each user to have access to computers. Most of the classrooms are provided with a digital board or a projector to facilitate audio and visual devices in lessons.

**Sports**
The school has an outdoors court sports area, suitable for basketball, volleyball, badminton and many other sport facilities, as well as an indoor gymnasium, fully equipped for Physical Education lessons and workout.
